West Vancouver, B.C.

V7W 1T7

604-921-8948 bcoutts@telus.net

<http://www.northshorescouts.ca/cypresscabin.php>

BOOKING POLICY

Up until September 30th, West Vancouver Scouting Sections only, may reserve weekends for the Scouting season, October to June. All other bookings will be accepted on a first come first served basis from 8 AM October 1st. The preferred method of booking is by email at bcoutts@telus.net or, if email is not available, call Bob Coutts at 604-921-8948 and leave a message. Please include a first and second weekend choice.

The cabin coordinator will tell a prospective renter, which dates are available, but will only hold a tentative date for 2 weeks. No final booking can be made until full payment is received.

Should a renter cancel, the cabin administration will endeavor to find a replacement booking. If successful, the renter will be refunded 100% of his payment. If unsuccessful, the renter will be refunded only the damage deposit portion. This policy is to ensure that there is neither loss nor profit made from a cancellation.

A weekend booking includes use of the cabin from Friday night until Sunday afternoon. Whether one or two nights are requested, the full weekend rate is required.

RATES

We have incurred many increased costs, including a large increase in insurance and have been forced to adjust our rates. In an effort to increase the cabin usage, we have instituted a lower cost shoulder season.

Shoulder Season Rates

October 1st to the first weekend in January, inclusive,
and the third weekend in April to June 30th.

	Rent	Damage Deposit	TOTAL
West Van Scouting Groups	\$225	\$50	\$275
All Other Groups	\$250	\$50	\$300

Prime Season Rates

Second weekend of January
to the second weekend of April inclusive.

	Rent	Damage Deposit	TOTAL
West Van Scouting Groups	\$300	\$50	\$350
All Other Groups	\$325	\$50	\$375

The \$50 damage deposit is required at time of booking, and is refunded after the cabin custodian has inspected the cabin and found it in satisfactory condition.
